SPEEDY GROUP PREPAID METER

TERMS OF SALE

- The meter remains the property of Speedy Prepaid until fully paid for.
- This is a Prepaid Sub Meter and is not to be installed in any building as a Main/Bulk Electrical / Water Meter.
- It is the Landlord's responsibility to ensure that the meter is installed by a Certified Electrician / Plumber who will provide a COC (Certificate of Compliance) upon installation.
- A Meter Registration Form must be completed for every meter sale.
- It is the Landlord's responsibility to ensure that all details are accurate at the time of sale.
- **Should the details of the Owner/Premises change at any time, it is the responsibility of the Owner to inform Speedy Group in writing, and to ensure written confirmation is received from Speedy Group of these changes being made.**
- As per Government Legislation, a Landlord may not by law refuse to provide Electricity / Water to a Tenant. Where a Tenant has arrears owing to the Landlord, the Speedy Group Managed Vending System has an Arrears Collection option available to recover lost revenue.
- It is the responsibility of all Wholesale and Retail Operations who sell meters to inform their Customers of these procedures and to forward a completed, signed copy of these Terms of Sale to Speedy Group.
- **Speedy Group will not be held responsible for meters sold to any Customer in error or for the wrong reasons.** The responsibility to refund an incorrectly sold meter lies solely with the Retailer or Wholesaler who supplied the End User.

PURCHASING TOKENS

- It is the responsibility of the Landlord, not the Tenant, to purchase Electricity / Water Tokens from Speedy Group. **All Token Orders are to be accompanied by Valid Blue Plastic Cards.** If the cards have been misplaced, then **valid ID Document and a current Utility Bill** for the appropriate property bearing the same name as the Applicant will be accepted. Tokens will not be sold under any circumstances without the above-mentioned requirements. **In the event of a Tenant purchasing Tokens as a result of presenting a Blue Card and ID Document, Speedy Group will be held in no way accountable for any losses incurred as a result.**
- Any Third Party, who has been sent by the Landlord to purchase on their behalf, must present a signed **Letter of Authority containing both their Full Name and ID Number as well as the Full Name and ID Number of the Third Party.**
- The Landlord is responsible for collecting Monies and selling Tokens to the Tenant, and in turn paying their own Utility Bills.

EASYPAY

- The owner is responsible for the monitoring of each meters activity as per the month schedule supplied.
- **We will not accept any responsibility for any difference between municipality accounts and easypay sales.**
- **All Water meters will require replacement of WMD (water measuring device) Please see below:**

Replacement Of WMD – R1000.00
Replacement Of KENT – R 650.00
Replacement Of KEYPAD – R 650.00

ALL METERS COME WITH A 1 YEAR WARRANTY

RATES

- It is the responsibility of the Landlord to ensure that their Rates are compliant and correct.
- The Rate per Kilowatt Hour / Kilo Litre to be charged must be presented to Speedy Group in writing with a copy of the most recent Municipal Bill.
- The Rate charged must be in line with local Electricity / Water tariffs. **Please note that NO profit may be made from the re-sale of Electricity / Water.**
- Both the Rand and Kilowatt / Kilo Litre Value will always be displayed on the Token.

ARREARS COLLECTION AND SUB ACCOUNTS

- Should a Landlord have Arrears to be collected, he/she may do so using our Arrears Collection facility; this means Arrears can be collected from the Tenant in either a Percentage or Fixed Amount of each Token purchased. **This applies ONLY to Electricity meters.**

RETURNS AND REPAIRS

- All Goods Returned (unused) must be in original condition and can only be returned within **3 Months** of being invoiced.
- **Replacement Items will be invoiced out as per the original Invoice (same Product Code, same Price).**
- **Items can only be replaced if the Return Date is within the 12-month Warranty Period.**

DISCLAIMER

Whilst Speedy guarantees the accuracy of the measuring device, we in no way will be held liable for any difference between your utility bill and the measuring device. We only guarantee that our devices accurately measure consumption in the installed unit and will not be held responsible for any difference in your actual utility bill as this is not in our control.
